

Dear Mentors,

One of the most important tasks for mentors is to help confirmands complete their 5 hour, local mission requirement. The mission committee developed a list of ways this requirement might be fulfilled, but you and your confirmand are welcome to fulfill this requirement if you wish.

Please meet with your confirmand to complete the first part of this form give it to Pr. Craig by November 2. Please help your confirmand submit a monthly report to Pastor Craig in November, January, February and March.
